Section 7.02: VOTING RIGHTS.

Each member shall be entitled to the votes as provided in this Article on all matters properly submitted for vote to the membership of the Association. The Board of Directors may close the membership register for a period not exceeding thirty (30) days preceding any meeting, annual or special, of the members and any such meeting shall be conducted and any vote taken on the basis of the memberships shown in the register at the time of closing.

Section 7.03: ASSESSMENTS.

Each member is subject to the following charges and assessments payable to the Association (1) maintenance assessments; (2) delinquency assessments; (3) assessments

for capital improvements; and (4) all other fees or other monies due to the Association for such member.

Section 7.04: MAINTENANCE ASSESSMENT.

1. Within thirty (30) days prior to the commencement of each fiscal year the Association shall estimate the costs and expenses to be incurred by the Association during the year, including a reasonable provision for contingencies, as well as reserves for major repair and replacement, and shall subtract from such estimate an amount equal to the anticipated balance, exclusive of any reserves for contingencies, and reserves for major repair and replacement in the operating fund at the start of such year. The net estimate so determined shall be assessed to all the Owners in shares - one (1) share for each lot owned.

2. If, at any time, and from time to time during any fiscal year, the maintenance assessment proves or appears likely to prove inadequate for any reason, including nonpayment of any Owner's share thereof, the Association may levy a further maintenance assessment in the amount of such actual or estimated inadequacy.

3. Maintenance assessments shall be due and payable to the Association when levied or in such installments during the year, and on such due dates as the Board shall designate.

4. The maintenance assessment shall not include any amount for the capital improvement of Common Area which, in any fiscal year, exceeds ten percent (10%) of the budgeted gross expenses of the Association and which is not part of such budgeted gross expenses. Such assessments for extraordinary capital improvements may be levied pursuant to Article 7.07.

5. The initial maintenance assessments shall commence as to each Lot upon the first day of the month following completion of construction of the improvements on the Lot. Construction shall be deemed completed upon the dwelling's successful completion at its final inspection by the City of Albuquerque. The first such annual assessment shall be prorated for each Lot for the period from the commencement as herein provided to the start of the next fiscal year following such commencement and shall be paid in advance by the Lot Owner at the initial closing. For example, if the initial annual assessments are determined to be \$360, the home is completed and closed by the initial purchaser on July 15, 1996, at closing, the initial purchaser will pay to the Paradise Greens Homeowner's Association \$100 (\$360 divided by 12 month equals an assessment of \$30 per month) (\$30 per month times 5 full months remain in the year equals \$150 to be paid by the initial purchaser at closing). Subsequently, maintenance assessments may be billed in advance by the Association to the Lot Owner on an annual, semi-annual or quarterly basis.

6. Until the December 31st immediately following the conveyance of the first lot by Grantor, the annual assessment per lot shall not exceed \$480.00. From and after said December 31st, the maximum maintenance assessment may be increased each year not more than the greater of (i) ten percent (10%) or (ii) a percent increase above the maximum assessment for the previous year equal to the percentage increase of the Consumer Price Index without a vote of two-thirds (2/3) of the members and the Grantor's consent, if the Grantor owns any lots within the subdivision. The percent of increase shall be cumulative from year to year so that an increase not used in one year may be used in a subsequent year, without a vote of the members.

7. Notwithstanding the limitation on the increase in maintenance assessments set out in subparagraph (6).

Section 7.05: DELINQUENCY ASSESSMENT.

The Association shall levy delinquency assessment against any member as a result of whose acts, or failure or refusal to act, or otherwise comply with the Restrictions, or the Rules, monies were expended from the operating fund by the Association. Such assessment shall be in the amount so expended, and shall be due and payable to the Association when levied, or in such installments as the Association shall designate. Prior to the levy of a delinquency assessment, the Board shall hold a hearing to determine the validity and amount of the assessment upon at least thirty (30) days notice to the member to be assessed. Such member to be assessed shall be given an opportunity to be heard at such hearing held to determine the validity and amount of the assessment.

Section 7.06: ASSESSMENTS FOR CAPITAL IMPROVEMENTS.

The Association may also levy in any year an assessment for paying or returning, in whole or in part, the cost or proposed cost of acquisition and construction of a described capital improvement (whether the improvement constitutes real or personal property), in an amount greater than can be included in the maintenance assessment, provided such assessment has been approved by the two-thirds (2/3) vote of the members and the consent of the Grantor, if the Grantor owns any lots within the subdivision which assessment shall be assessed to members as provided for in maintenance assessments.

Section 7.07: DELINQUENCY.

Each assessment under this Article shall be the separate, distinct and personal debt and obligation of the member against whom it is assessed. Any assessment provided for in this Article, which is not paid when due, shall be delinquent.

With respect to each assessment not paid within ten (10) days after its due date, the Association may, at its election, require the member to pay a sum (late charge) to be determined by the Association, to pay for the costs of handling the delinquent sum, but not to exceed twenty dollars (\$20.00) per each delinquent assessment. Such a charge shall be considered an additional assessment and collectable with the assessment for which it was charged.

If any such assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate as set from time to time by the Board, however not greater than twenty percent (20%) per annum, and the Association may, at its option, bring an action at law against the owner or owners personally obligated to pay the same, and upon compliance with the provisions of this Article to foreclose the lien against the lot, and there shall be added to the amount of such assessment, the late charge, the costs of preparing and filing the complaint in such action, and a reasonable attorney's fee, together with the costs of action.
